The Student Center for Academic Achievement (SCAA)
MATH & STATISTICS TUTOR APPLICATION

Student Center for Academic Achievement (SCAA) Overview:

Since 2001, the Student Center for Academic Achievement (SCAA) at California State University, East Bay (CSUEB) has provided tutoring and supplemental academic services for over 2,000 students a year. The heart of SCAA’s work is a dedicated staff of peer tutors, online tutors, Supplemental Instruction (SI) Leaders, Writing Associates (WAs), and Receptionists. We are looking for individuals who are interested in helping their peers engage in life-long learning; possess patience and good communication skills; are sensitive to diverse student needs; are reliable, committed, and accountable; are willing to creatively and collaboratively contribute to SCAA’s development; and are interested in becoming a part of a community that is passionate about student success.

Math & Statistics Tutor Responsibilities:

- Commit to 5-10 tutoring hours of availability per week by working with our students in math and/or statistics. Since students may come to you in a variety of courses, we expect our tutors to be familiar with the following courses:
  - For Math Tutors: College Algebra, Pre-Calculus, Calculus or Business Calculus
  - For Statistics Tutors: Elements of Statistics and Probability
- Participate in an intensive orientation at the beginning of the Fall/Spring Semester and attend monthly staff meetings and ongoing bi-weekly training activities throughout the year.
- Develop resources (videos, handouts, workshops, etc.) according to CSUEB student needs
- Use talents to assist in SCAA’s development and operations in areas such as outreach, training, observations, etc.

Requirements:

- Must be enrolled as a sophomore, junior, senior or grad student at CSUEB for the academic year
- Must have availability for consistent working hours and regular meetings for a maximum of 20 hours a week
- A cumulative GPA of at least a 3.0
- A developing knowledge of tutoring approaches and an awareness of content resource materials
- An ability to interact effectively with diverse populations in individual or group settings
- A completed application (attached) with professor referral or a brief recommendation by a professor (form provided in application).

Pay Rates and Other Perks:

- Tutors are paid $15.00 an hour, with the opportunity for raises with each academic year you are a math/stats tutor
- Tutors are paid for all activities outlined in the “Math Tutor Responsibilities” section
- Tutors who complete all their training requirements will receive a College Reading & Learning Association (CRLA) Internationally Certified Level One Tutor credential
- Tutors become a part of the SCAA Learning Community, a group of passionate and fun peers, and are invited to several SCAA social activities. Tutors also develop professional skills transferrable to future careers, including communication, organizational, and problem-solving skills.

Application Instructions:

Please fill out this application form completely and attach the following documentation:

- Email referral by a Faculty Member or Faculty member recommendation letter (see attached form on page 5)
- Copy of an unofficial transcript -- if available, CSUEB transcript preferred

Submit your completed application and additional documents to Maria Balderrama. You will be contacted if selected for an interview.
Student Employment Application for Student Center for Academic Achievement (SCAA)

Expected Graduation Gate (Semester, Year): ____________________________

Hours available to work per week: ________________

Other than class, do you have any other obligations (other on-campus jobs, other off-campus jobs, clubs, etc.)? If so, how many hours is your commitment?

How did you find out about this opportunity? ____________________________

This section will be filled out by our staff members if you are invited to an interview:

Last 4 digits of SS No.___________  Net ID_____________

US Citizen: Yes ☐ No ☐

If No, does student have a Work Permit? Yes ☐ No ☐
1. Please list the subjects and courses (including course numbers relevant to courses offered at CSUEB) that you wish to tutor. You must have received at least a grade of B to tutor a subject. You must be able to feel comfortable tutoring up to calculus. Please refer to Mathematics and Statistics Departments’ list of courses: [http://tinyurl.com/l5kq9xl](http://tinyurl.com/l5kq9xl)

2. Please describe how your work experiences in tutoring and/or other previous experiences will assist you in becoming an effective SCAA Math/Stats Tutor. (150 words or less)
3. Please explain why you would like to be a SCAA Math/Stats Tutor. How do you imagine you will be helping students with mathematics and statistics in this position? (150 words or less)
To applicants: Please ask your professors either at California State University, East Bay (CSUEB) or another academic institution that you have attended to write a recommendation. Please allow your recommenders enough time to write a thoughtful narrative of your ability to be a tutor. This recommendation is a requirement to complete your application. A physical copy of the letter must be included with other materials in your application.

---

Dear Faculty Member:

This student has applied for a Math/Stats Tutor position at the Student Center for Academic Achievement (SCAA) and would like to list you as a reference. The SCAA provides content tutoring and supplemental academic services for over 2,000 students a year. We are looking for individuals who are passionate, creative, collaborative, patient, excellent communicators, and genuinely interested in engaging with their peers in the learning process. Please describe your experience with this student and assess the student's potential and/or existing ability to work with students in math and statistics for college courses. You may write in the space below or attach a document to this form.

Faculty Name ___________________________ Department ___________________________

E-Mail ___________________________ Phone Number: ___________________________

Faculty Signature ___________________________ Date ______________

After completing this form, please return it to the student so that they may include it in their application.
